INDICATORS

A cost effective, preventive measure to ensure proper handling of your package. It can help identify the mistreatment of your product in handling or transit. Each indicator comes with instructions and two labels; one for your package and one for the bill of lading to notify all parties of the product being monitored.

TIP N TELL™

TNT N

- Shows if package has been tilted and if there is possible damage when the blue beads are in the arrow.
- Pull pin activates the product.
- Attach **TIP N TELL** to your product or container by removing the liner on the back and exposing the adhesive.
- 50 pieces per package (one package minimum order)

DROP N TELL™

DNT 0

- The self adhesive indicator advises the handler of shock damage. It can also be nailed to your shipping container.
- The **DROP N TELL** turns from red to blue when excessive force has been used.
- Available in six G ranges: 5G, 10G, 15G, 25g, 50G, and 100G.
- 25 pieces per package (one package minimum order)

KRAFT BLOCK OUT LABELS

Covers unwanted markings on corrugated boxes.
