MAILERS & POCKET FORMS

Applications

Affixed and Integrated Labels

pharmacy prescription • healthcare lab labels
warning labels • authorized return labels
invoice/packing list – shipping labels
control labels • product ID labels • parking decals

E-Z Release Cards

membership – clubs/museums/zoos
client recognition • alumni mailings
healthcare • loyalty programs
insurance • business rewards
associations • student ID
fundraising • direct marketing

Labels and ID Cards can be either affixed or integrated into forms. Many options are available, ask your sales representative for samples and suggestions.

Combining labels or ID cards with a form provides new levels of efficiency. The total system will cost less than the individual components especially when you consider the labor savings. In addition to increased efficiency, when designed correctly these forms will feed through impact or laser printers without a problem.
